Adopt-A-Roadside Program

“Litter Crew Ahead” Portable Warning Sign

Two “Litter Crew Ahead” portable warning signs will be provided for roadside sections along non-residential type streets.

INSTRUCTIONS FOR INSTALLING A “LITTER CREW AHEAD” PORTABLE WARNING SIGN

1. Remove Velcro strap. Unroll sign and remove the second Velcro strap from braces.
2. Rotate brace to form a “ + “ (see fig. 1).
3. Insert ends of brace into plastic corner pockets. This can be accomplished by supporting one end on the ground and pushing down, bending brace toward yourself.
4. Secure sign to brace with center Velcro strap shown in fig. 1.
5. The sign is now ready to be displayed. Hang loop tie, located at top of “Litter Crew Ahead” sign, onto hook bolt on “Adopt-A-Roadside” recognition sign (see fig. 2).
6. Locate rubber strap at bottom of “Litter Crew Ahead” sign. Remove nut from bolt and pull down to insert in post, three (3) holes below the sign. Hand tighten nut to back of bolt (see fig. 2).
7. Reverse steps 1-6 to remove portable warning sign.
